Global Education Center

Dear Mr. Chandler,

I would definitely recommend Chandler Concrete to any of my colleagues due to my previous experience with Chandler. The level of service we received from every level of Chandler's staff was great. Starting with the salesman being very responsive and courteous during the bidding period, to the dispatchers that were familiar with each of our mix designs, Chandler serviced our every need. After pouring thousands of cubic yards with Chandler, I have had no quality issues at all. I sincerely look forward to a long and prosperous continued relationship with one of the areas finest ready mix concrete suppliers.

Sincerely,  
BARNHILL CONTRACTING COMPANY
