Mr. Chandler,

T.A. Loving Company and Chandler Concrete Company began our relationship over 25 years ago with a project at the University of North Carolina in Chapel Hill. This was Chandler's first project in that market and since you have grown to meet our needs. We have built many successful projects with Chandler Concrete in the last 25 years. I would like to personally thank Chandler Concrete for their unheralded quality, services and dedication to T.A. Loving Company. We look forward to many more years of successful projects with Chandler Concrete Company.

Respectfully yours,

Ron Jaruzel
Project Manager
